

Women's Pioneer Skills

July 7 - 9, 2023

West Coast Rangers Black Powder Range, Port Alberni

Cost: \$60

Women's Pioneer Skills is a weekend of ladies-only camping, good company, and workshops introducing the black powder skills of shooting, knife-and-hawk (axe) throwing and archery, as well as camping skills and historical crafts.

You'll take part in three workshops during the weekend. There will be a wine and cheese on Friday (price included in registration) followed by the WPS Challenge, a team event that's a fun way to get to know everyone. Saturday afternoon the tea house will be open for snacks and visiting, and the annual pot luck dinner is Saturday evening.

All this, plus two nights camping at the black powder range beside Roger Creek, for only \$60.

For more information and registration, see our Facebook group at
